RE: **2008 PNBC Congregational Missions Profile**

Greetings in the name of our Lord! Pray that this note finds you experiencing **His blessings!**

PNBC Missions is on the move! The Missions Ministry Team is reviewing and revising the Missions Ministry, in coordination with our regions and the PNBC Leadership. And one of the initial steps in the review is the request of all PNBC churches, through regional coordination, to help take a good look at what we've been doing and what we're doing now, collectively, for a clearer discussion and determination of how to improve and move to even greater heights in doing missions for the Kingdom of God!

Your help is requested in this process. Please find enclosed a copy of the “**2008 PNBC Congregational Missions Profile**” Document that we are urging every PNBC church to complete and return as soon as possible, with a **DEADLINE OF FRIDAY, MAY 16, 2008**. The specific instructions for returning the document are on the form and should be carefully read and followed. If you have questions or need clarification, please contact me at snixonj2@aol.com or 202-396-0558. I will be glad to assist.

This information will be compiled, summarized, and forwarded to your regional vice president, the PNBC Missions Ministry Team, and churches that participate and express an interest in the results for their region. A larger summary (including all regions) will be provided during the 2008 PNBC Annual Convention in August 2008. This summary of our collective missions programs and activities will help in the Convention's guidance in how to best assist one another, through God's guidance, in improvement of our Missions Ministry.

Blessings to you in your continued **witness for the Lord!**
