MISSIONS IS ON THE MOVE!!!

We greet you in the fullness of God's abiding love! This comes to update you on the status of the PNBC Missions Ministry, where **all** are invited to participate in opportunities for sharing in the love of Christ Jesus! With your support, the Convention has touched lives over the past year!

PNBC supported over forty-two (50) families (including several pastors) in Baton Rouge, LA and Marion, SC, impacted by hurricane destruction; twelve (12) Haitian students with scholarships for their education and training; collaborated with Haitian chicken farmers to help them establish an income-producing chicken farm, and faithfully "fed the hungry" in our own regions, in collaboration with our Regional Vice Presidents and their missions infrastructures. The Lord blessed in their expressions of appreciation for your support and hope for continued relationship with our PNBC Family!

Missions has initiated collaborative opportunities with PNBC churches and regions, as we grow more in the giving of our time, talent, and increase! We've also asked **EVERY CHURCH** to complete and return the PNBC 2017-2020 Missions Survey as soon as possible. Now is the time to look and walk forward as a PNBC Family, as well as continue to move onward over this year and next year with the resources to witness faithfully for the Lord!

All of our PNBC family are urged to grow in our giving witness over the next several months and years, especially for the major work before us. Your gifts will help support to:

- 1) Encourage our convention's youth to more fully engage in missions as global leaders;
- 2) Strengthen our help to women, youth, and families living in poverty in the U. S. and abroad;
- 3) Continue our work with Baptist churches and leaders in Haiti in their request to help develop and protect their communities and help Haitian children receive sound education and training;
- 4) Support our work in the Caribbean with their needs for rebuilding churches and schools.

All PNBC churches are invited to unite for the Missions Ministry Service during the PNBC 56th Annual Session in Houston, TX on **Monday evening, August 7, 2017 at 7 pm**. **Every PNBC congregation is urged to send in advance, or bring, a gift of \$500** (Checks payable to: **PNBC Missions**) towards the work of the Kingdom in helping to meet the needs of others here at home and around the globe. Your witness and support is crucial to the work before us! We look forward to continuing to keep **MISSIONS ON THE MOVE FOR THE MASTER!!!**

On behalf of your Missions Ministry in the love of Christ Jesus,
