Dear Sir,

The Historic Pleasant Green Missionary Baptist Church (HPGMBC) of Lexington, Kentucky is in search of a Senior Pastor whom God has gifted with the talents of preaching, Biblical teaching, and soul-winning. We are seeking God's Selection of a Spiritual Leader for the future of HPGMBC. HPGMBC is a multi-generational church with an average Sunday morning attendance of approximately 225 to 300 and is prayerfully anticipating what God has in store for us in the coming years!

The Historic Pleasant Green Missionary Baptist Church was established in 1790 and is the oldest African American Church west of the Alleghany mountains. Over Her Blessed 229 years of service, HPGMBC has been engaged in soul winning and the edification of the spiritual lives of Her members. During this period there have been only 18 pastors. We are now in search of Our 19th Pastor. It is our prayer that the man that God will provide will carry on the rich heritage that HPGMBC has established over the years.

Candidates who are interested in the Senior Pastor position should go to the Church's website: www.hpgmbc.com and select the **Pastoral Position Opening tab** to see the position requirements and review qualification requirements for possible candidates.

This position posting will be in effect for 90 days starting July 13, 2020 and may be renewed for additional periods of time dependent on where we are in our selection process.

Sincerely,

Pulpit Search Committee
