Dear Friends of PNBC Evangelism,

I greet you today on behalf of the Evangelism Board of our beloved Progressive National Baptist Convention. I trust that you and your household are well.

The Evangelism Board of the PNBC plans, coordinates, conducts, and evaluates the evangelistic priorities of our convention. The vision of the Evangelism Board is to empower local churches to fulfill the Great Commission (Matthew 28:16-20). As the Evangelism Board seeks to serve this present age, we endeavor to equip Christians to reach the entire world through aggressive and innovative New Testament evangelism.

In keeping with its stated mission, the PNBC Evangelism Board offers a Certificate in Christian Evangelism. The PNBC Certificate of Christian Evangelism will meet the current criteria for certification through the Board of Education and Publication, and the courses will be taught in cooperation with the Congress of Christian Education. Upon successful completion of the first certificate of Progress and the Evangelism Curriculum, students will receive the Certificate of Christian Evangelism empowering them to develop and staff an Evangelism Department in their local churches, district associations, and state conventions.

To that end, we announce that registration for our Second Quarterly Virtual Evangelism Conference is open. The theme for the **PNBC Evangelism Conferences** is “**Evangelism Works**” II **Timothy 4:5**. Our second conference is **August 17-19, 2021 at 7:00pm (EST)**. ***Evangelizing Men*** will be taught by our board Vice President, the Reverend Terry Streeter of Washington, DC. ***The Acts of the Holy Spirit in Evangelism*** will be taught by the Reverend Marques L Fletcher of Atlanta, GA. ***Training Children to Spread the Good News*** will be taught by the Rev. Denise H. Wiggins of Washington, DC. Our evangelist for the Thursday evening worship will be ***our First Vice-President, Reverend David Peoples***. Please register for the conference today click on the following link and fill out the attached Jot Form and call PNBC Headquarters.
