# PROGRESSIVE NATIONAL BAPTIST CONVENTION, INC.

Dear Progressive Family,

We are pleased to invite you to join us August 7-12, 2022, in Orlando, FL, for the Progressive National Baptist Convention, Inc. 61ST Annual Session. This year's theme is, In Pursuit of Wholeness: Promotion of Unity. The host hotel is the Hilton Orlando, located at 6001 Destination Parkway in Orlando, Florida.

We are so grateful for your faith, patience, and fortitude throughout these past months, as COVID-19 has brought necessary reconsideration and restructuring of our church life. The Annual Session is an excellent opportunity to collaborate and share new processes and rejuvenate those working in our churches today.

On Sunday, August 07, the Laymen will have their annual outreach program and afternoon preaching followed by an electrifying musical extravaganza. The program includes an impressive array of preachers, teachers, music, and many opportunities to fellowship with each other. PNBC Regions, Departments, Boards, Commissions, and Committees will have the chance to review and renew its plans for the vital work they must do to ensure the future of the Convention.

Joe Madison, a groundbreaking radio personality and civil rights activist who has devoted his career to raising awareness about issues worldwide, will conduct an informative Town Hall Meeting. You don't want to miss this informative event.

There are so many exciting events intertwined in our program. We are especially pleased that our youth will play a vital role in the Annual Session. On Wednesday, August 10, our youth will showcase their knowledge, skills, and abilities in their work for the Kingdom. Vendors and exhibitors have been invited to showcase their new and affordable products throughout the meeting.

In addition, PNBC has a deep concern about the health and safety of our attendees. Therefore, all attendees are requested to follow the CDC's COVID 19 Measures and Guidelines strictly.

We look forward to seeing you in Orlando. Please don't miss this exciting time in the history of our Convention.

Sincerely,

Rev. David R. Peoples

## **PNBC 2022 Preliminary Congress Classes**

### **1. B104 HOW TO READ AND STUDY THE BIBLE**

This course identifies methods and approaches to Bible study that can lead to spiritual growth and Christian maturity. Students will be exposed to the three significant steps of methodical Bible study and resources to aid personal study.

### **2. #127.204 BE MATURE: GROWING UP IN CHRIST (JAMES)**

This course will lead you through this practical book with advice on overcoming temptation, controlling the tongue, effective prayer, and practicing what the Bible teaches. The central theme of the book of James is maturity. God wants us to grow up in our faith, and James tells us how to do it. This study will help you identify the requirements for Christ-like living. If you're going to make progress in these areas, you will need a growing faith and dependence on Christ because, as James claims, "Every good and perfect gift is from above."

### **3. #127.211 HOW TO MAKE THE BEST OF TIMES OUT OF YOUR WORST OF TIMES: BE HOPEFUL**

The journey towards hopefulness begins with a renewed understanding of the Epistle of 1 Peter. This course will help the student with personal knowledge and experience of suffering and persecution as we examine our current world situation. We, as Christians in the Western world, have enjoyed comfortable lives. Our brothers and sisters behind iron and bamboo curtains have suffered for their faith. Now there is every indication that the time is approaching when it will cost us to take a stand for Christ. The only "comfortable" Christian will be a "compromising" Christian, and his comfort will be costly. But God's message to us is, "Be hopeful! Suffering leads to glory! I can give you all the grace you need to honor "Me" when the going gets tough!" The future is still as bright as the promises of God, so—be hopeful! If you can witness to this, then 1 Peter has a message for you: "Be hopeful!"

### **4. #819.09 EMBRACING THE CALL TO BE A WOMAN OF POWER AND INFLUENCE (MODERN-DAY DEBORAHS)**

This class is designed for the "Modern-Day Deborahs." This class will help the Women of God understand that the Lord is extending a great invitation to them to become a part of His story and affect history. He is calling ordinary women like you into His extraordinary work. Many who carry a Deborah anointing will be blessed with the gift of leadership. They will be women who have developed the character and ability to inspire and disciple the next generation to walk in the fullness of their call. These modern-day Deborahs will have a lifestyle of prayer and worship that will cause a generation to return to their first love, Jesus.

### **5. BE COURAGEOUS (LUKE 14-24): TAKE HEART FROM CHRIST'S EXAMPLE**

"Encounter the ultimate profile in courage." It takes courage to walk out on faith, stand for what we believe, set our standards on Biblical truth, not cultural trends, and pursue a life defined by integrity and character. And we find no greater profile in courage than in the life of Christ. This study follows our Savior as he faced opposition, challenged critics, and courageously chose to make the ultimate sacrifice. The class participants will explore the courageous life of Christ. You'll be encouraged to trust God and inspired to embrace fearless living.

## PNBC 2022 Preliminary Congress Classes

### **6. STAND: RISING UP AGAINST DARKNESS, TEMPTATION, AND PERSECUTION**

In a frightening world, it's tempting to question the promises of God. Yet one word rings out in Scripture as a call to God's people: **STAND**. From Moses at the Red Sea to Jesus with His disciples, **STAND** is the call to believe God and hold fast to His promises. The participants will learn the importance of standing and being faithful in a crumbling world. **STAND** offers inspiration and practical tools to stand in your faith, convictions, and trust in a God who never fails. She addresses questions like these: How do Christian leaders share God's good news in a culture that wants to silence their voices? How do parents hold on to hope when their children are more in love with the world than with Jesus? How do Christians battle the voices of shame and insecurity?

### **7. BE RICH (EPHESIANS): GAINING THE THINGS THAT MONEY CAN'T BUY.**

"Too many Christians are living like paupers when Christ has made us rich! Isn't it time we stopped living on substitutes (even religious substitutes) and started drawing on the riches we have in Christ? When Jesus Christ wrote His Last Will and Testament for His church, He made it possible for us to share His spiritual riches. Instead of spending it all, Jesus Christ paid it all. His death on the cross and His resurrection make possible our salvation. He wrote us into His will, and then He died so the will would be in force. Then He arose again that He might become the heavenly Advocate (lawyer) to make sure the terms of the will were correctly followed!" This class will help the participants understand "How Rich we are in Christ" by "Gaining things that money can't buy."

### **8. THE RUTH ANOINTING: BECOMING A WOMAN OF FAITH, VIRTUE, AND DESTINY**

There is Restoration after A Great Loss". A broken heart can be mended. And lost dreams can become the greatest source of hope. But there is so much more to the story of Ruth. Ruth was not afraid to step out of her comfort zone and embrace new possibilities. She ventured past cultural limitations to discover a life of fulfillment. She was willing to risk it all and be stretched. For those who feel an affinity to this woman of God, it's time to break boundaries and conquer new territories.

### **9. BE COMPLETE (COLOSSIANS): BECOME THE WHOLE PERSON GOD INTENDS YOU TO BE TODAY.**

Do you hear too many voices telling you that I need something more than Jesus Christ? Or voices that want to judge you and rob us of the glorious liberty we have in Christ? Are they describing some exciting experience, some new doctrine, some addition to your Christian experience? But Paul affirms that what I need is appropriation of what I already have in Christ. "And ye are complete in Him." How encouraging to hear Paul say: "Let no man beguile you, let no man spoil you, let no man judge you." The fullness of Christ is all that I need, and all man-made regulations and disciplines cannot replace the riches I have in God's Son, who allows us to "Be Complete: Become the Whole Person God Intends You to Be Today."

### **10. BE JOYFUL (PHILIPPIANS): EVEN WHEN THINGS GO WRONG, YOU CAN HAVE JOY**

Joy leaks. Have you ever noticed that? One minute you can be on top of the world, and the next minute in the pit of despair. To hold on to a joyful state of mind seems as pointless as trying to carry water in a holy bucket—it might work for a moment, but that is hardly enough. And yet the Bible exhorts us to "be joyful always" (1 Thess. 5:16 NIV). The book of Philippians is Paul's personal manifesto on how to live a life full of joy.

## **PNBC 2022 Preliminary Congress Classes**

### **11. BE DILIGENT (MARK): SERVING OTHERS AS YOU WALK WITH THE MASTER SERVANT**

Christianity is not a passive faith. It is a dynamic, proactive way of life where God's love motivates us to ministry, help those in need, and serve those around us. And no one better illustrates this lifestyle than our Savior. The gospel of Mark shares the life, love, and ministry of Christ, who provides the ultimate example for those longing to serve others and God actively. This class encourages us to be diligent in kingdom work. You'll be inspired to pursue a lifestyle of service, deepen your ministry, and put feet to your faith.

### **12. BE COMPASSIONATE (LUKE 1-13): LET THE WORLD KNOW THAT JESUS CARES**

Have you heard? "The world still needs His love." The life and ministry of Christ were marked by His overwhelming compassion for people. And His heart is the same today. As believers, we are called to be the hands and feet of Christ and extend His extravagant love to a broken world. Based on the book of Luke, this study examines the very heartbeat of our Savior and explores how Jesus connected with hurting people in an authentic and powerful way.

### **13. BE DETERMINED (NEHEMIAH): STANDING FIRM IN THE FACE OF OPPOSITION**

God's work has never been easy, and in these last days, it is getting more and more difficult to serve. The Enemy is hurling his ammunition at us as never before and is setting his subtle traps where we least expect them. But the same great God who enabled Nehemiah to finish building the walls of Jerusalem will enable us to finish our course with joy and accomplish the work He has called us to do. There is no reason to quit or even to despair!

### **14. BE CONFIDENT (HEBREWS): LIVE BY FAITH, NOT BY SIGHT**

Hebrews—written by Christians, to Christians, and for Christians—is loaded with spiritual truth accessible to any believer looking to grasp the importance of faith. Penned at a politically unstable time, Hebrews targets believers tempted to abandon their faith and slip back into the rules and regulations of Judaism. We can all understand the quest for stability in our politically unstable day of "wars and rumors of wars" (Mark 13:7). But there is only one source of rock-solid security. There was a time for rules and sacrifices. Then Christ came as the perfect, spotless Lamb to atone for sin once and for all. This class will show you that by focusing on the reality of the unseen first, an overwhelming desire for intimate friendship with God will follow.

### **15. YOUTH CHOIR CLASS (YOUTH)**

The class will show the importance of sharing music in worship, the difference between worship and performance, and the impact of the message to the congregation. Help the youth see that singing praises to God is a true privilege and that they are leaders when they participate in the worship.

## **PNBC 2022 Preliminary Congress Classes**

### **16. PRAISE DANCE MINISTRY (YOUTH)**

The class will show the importance of creative dance within the local church's ministry. It will also show how this medium can be used to enhance an appreciation for the fine art of dance from a Christian perspective.

### **17. MIME MINISTRY (YOUTH )**

Traditionally, mime has taken the worship experience to a new level. This class will explore ways of enhancing the mime ministry. Students should come prepared to participate actively as the class combines theory and practice. Students will leave invigorated with ideas that will take their mime ministry to another level.

### **18. CARDIOPULMONARY RESUSCITATION (CPR) CLASS**

The CPR class is designed to provide lay rescuers with the fundamental skills and confidence to perform CPR on adults, children, or infants. This course will teach participants how to recognize and alleviate airway obstructions and the signs, symptoms, and corrective action for a stroke or heart attack.
